

AVIATION AUTHORITY TEST FLIGHT CLAUSE

Coverage is extended to include the legal liability of any aviation authority having jurisdiction over the insured aircraft and of any pilot employed by or contracted to that authority. For that purpose such authority and/or pilot(s) shall be named as additional insureds under the Policy.

This extension of coverage shall apply

- 1) solely for the purpose of test flying for the award, renewal or continuation of certificates of airworthiness and
- 2) only for the duration of such test flying.

Nevertheless, notwithstanding the inclusion hereon of more than one Insured the total liability of the Insurers in respect of any or all Insureds shall not exceed the limits of liability stated in the Policy.

Except as specifically provided in the foregoing to the contrary, this Clause is subject to the terms, exclusions, conditions and limitations of the Policy to which it is attached.
