

## **Conditions of Use**

This website is maintained by the Lloyd's Market Association (LMA) as part of its secretarial support to the Aviation Insurance Clauses Group (AICG).

Please read these conditions of use carefully before accessing this AICG website. By accessing and using this AICG website you signify your agreement to these conditions of use. If you do not agree to these conditions do not continue to use or access this AICG website.

## **Site Content**

The information on this AICG website is not intended to constitute any recommendation, or offer to sell or quote for any insurance product. Any insurance products or services referred to on this AICG website are subject to the legal and regulatory requirements applicable in the jurisdiction in which the risks and/or (potential) assureds are located and therefore may not be available in all jurisdictions. The information and descriptions on this site are provided for general information purposes only. Any insurance products and services referred to will be subject to the insurance providers' terms and conditions.

## **Disclaimer**

**The LMA in England provides this AICG website on an "as is" and "as available" basis and makes no representations or warranties of any kind, express or implied with respect to this AICG website or its operation, contents, products, services or that materials on the AICG website are appropriate or available for use in other locations. If you use this AICG website from other locations you do so on your own initiative and you expressly agree that your use of this AICG website is at your own risk and that you are responsible for compliance with applicable local laws.**

## **Limitation of Liability**

The LMA does not represent or warrant that information available on this AICG website is accurate, current or complete and it disclaims any and all representations and warranties, including but not limited to any warranty of suitable quality or fitness for a particular purpose to the full extent permitted by law. In no event shall the LMA be liable to you or to any other person or entity, in any manner (including, but not limited to negligence) for damages of any kind arising from the use of this AICG website, including but not limited to direct, indirect, actual, incidental, punitive, special or consequential damages, lost income, revenue or profits, lost or damaged data, or other commercial or economic loss, that result from your use of, or inability to use, this AICG website, even if the LMA has been advised of the possibility of such damages or such damages are foreseeable.

## **Policy Wordings and Clauses**

AICG establishes non-binding standard wordings, clauses and variants for use in aviation insurance policies. The use of these wordings, clauses and variants shall be

without liability to the LMA. Users of such wordings, clauses and variants should, where appropriate, take professional advice as to the suitability of such wordings, clauses and variants for their intended use.

## **Links**

The LMA accepts no responsibility for the content of any site to which a hypertext link from this AICG website exists. The links are provided "as is" with no warranty, express or implied for the information provided within them.

## **Jurisdiction and Disputes**

This AICG website and these conditions of use shall be governed by the laws of England and the parties submit to the exclusive jurisdiction of the Courts of England and Wales.

## **Glossary of terms**

**Cookie:** Message given to a web browser by a web server. The message is then stored by the browser in a text file called cookie.txt. Each time the browser requests a page from the server, this message is sent back. A cookie's main objective is to identify users and personalise their visit by customising web pages for them for example by welcoming them by name next time they visit the same site. A site using cookies will usually invite you to provide personal information such as your name, e-mail address and interests.

**Web Browser:** Used to locate and display web pages via a software application. Examples of browsers are: Microsoft Internet Explorer, Mozilla, Firefox and Netscape Navigator.

**Web Server:** A computer connected to the Internet that stores HTML documents which can be located and retrieved by a computer with a Web browser. The server delivers (serves up) web pages to that computer.
